Dear Mr. Rollins,

The Construction Industry Council of the Winston-Salem Chamber of Commerce in partnership with the WS/FCS and the NC DOT would like to thank Guaranteed Supply Company, ICS, Inc., and Makita Tools for sharing your time and expertise at our Construction Career Days 2006. Because of your generous support, we were able to introduce students from Forsyth, Stokes, Surry, Yadkin, and Davidson Counties to all aspects of the construction industry. These students were excited about what they learned and experienced. Indeed they may become your employees some day.

A great deal of preparation and commitment was involved in making this event a success. We appreciate all that your organization has contributed to encourage high school students to consider a career in the construction industry.

We know that without the support of companies such as yours, this initiative could not have been undertaken. Again, we thank you for helping us implement this program!

Sincerely,

Christopher Yenrick
